

Registration Form Instructions

- 1) Please fill out the personal and church information as requested.
- 2) Under the Class Enrollment section, write on the line the name and number of the course that you wish to take.
-You may enroll for just one class or up to four classes at a time.
- 3) Check which method you prefer to receive your lectures.
 - Internet**: Each class has lecture files that are accessible via our website. If you check this option, we will provide you with a username and password for each course taken. Starting with the Winter 2013 semester, all classes have both audio and video files of the lectures. You can access these files and watch or listen to them any time at your convenience through the internet.
 - CD**: These will be audio files of the lectures on compact disc. These discs will play in most CD players. A CD can only hold one lecture in this format.
 - MP3**: These files will be audio files on a CD or DVD, but they will be in MP3 format. That way you can use a computer to listen to them or to transfer them to any MP3 player. A CD or DVD with MP3 formatted files may hold all of your lectures on one disc.
 - DVD**: These will be MP4 video files of the lectures on DVD. These can be played on a computer and some newer DVD players. Only classes held in 2013 and later are available in MP4 format.

 - NOTE**: Classes designated as Teaching Modules (TM) are home study courses. They do not have class lectures that accompany them. There are 9 of them that must be completed in order to receive a Bachelor Degree.
- 4) Multiply the number of classes that you wish to take by \$50.00, and enclose a check for that amount.
- 5) Mail the Registration Form and check to:
BIBS
PO Box 154
Pacolet, SC 29372

-We will send you your syllabus, lectures, and course requirement information as soon as possible.
